USB/Electronic Flash Drives (2): Redacted Application

5. *if your Application includes information that is exempt from disclosure under the FOIL (see “PUBLICLY AVAILABLE APPLICATION MATERIALS” below), then also submit:*
 - a. *a letter enumerating the specific grounds in the FOIL that support treatment of the material as exempt from disclosure and providing the name, address, and telephone number of the person authorized by the Applicant to respond to any inquiries by the Board concerning the confidential status of the materials;*
 - b. *two (2) identical hard copies of the REDACTED Application, each clearly marked “REDACTED Application”; and*
 - c. *two (2)* electronic copies of the REDACTED Application be submitted via two (2) separate USB flash drives, each clearly labeled “REDACTED Application”;*

**NOTE: The required count for the USB jump drives to be submitted to the gaming commission was amended just days before the due date, after the Applicant had already created and received a customized binder to house the originally requested volume of drives. As we understand it, the volume of requested USB drives for the Redacted Application did not change.*
