Statement from NYSGC Executive Director Robert Williams on the Passing of Ogden Mills “Dinny” Phipps

“I am saddened to learn of the passing of racing industry legend and native New Yorker Ogden Mills “Dinny” Phipps. The world’s horse racing community has lost a great champion. New York Thoroughbred racing would not be the world-renowned success it is today without Mr. Phipps’s guidance. His decades of leadership and dedication greatly improved the quality of the sport while making it safer and fairer for all. On behalf of Governor Cuomo and all New Yorkers, I offer sincerest condolences to his family and friends.”
