PART 1 – GENERAL INFORMATION

1.1 **INTRODUCTION**

The New York State Gaming Commission (the “Commission”), on behalf of the State of New York (“the State”), is issuing this Invitation for Bids (“IFB”) to solicit bids for air-driven lottery drawing machines, related accessories and maintenance.

Specifically, the Commission intends to procure new, air-driven machines for the Lottery’s Pick 10 Game and Lotto/Take 5 Games. The machines shall be air-mix and air-mix Keno drawing machines. The equipment must meet the required specifications defined in Part 3 of this IFB. Any Vendor offering equivalent machines must provide supporting documentation and equipment and accompanying ball sets for examination, demonstration, and trial at no charge to the Commission. The demonstrations will take place at the Lottery Headquarters located at One Broadway Center, Schenectady, NY 12305 during the period indicated in the Schedule found in Section 1.4 of this IFB.

One award will be made under this solicitation. Award will be to the responsive and responsible Bidder with the lowest cost. The Contract will commence upon approval of the Office of the New York State Comptroller (“OSC”) and the New York State Office of the Attorney General (“OAG”) and continue for five years. The Equipment shall be delivered within **90 days** of the effective date of the Contract.

The contents of this IFB, any modifications, and the bid will become contractual obligations if a Contract ensues. Failure of the Successful Bidder to accept these obligations may result in cancellation of the award. The Commission is the only office authorized to clarify, modify, amend, alter, or withdraw the provisions of this IFB.

1.2 **BACKGROUND INFORMATION**

In November 1966, a constitutional amendment was approved by a majority of New York State voters which established the New York State Division of Lottery. In February 2013, the New York State Division of Lottery merged with the New York State Racing and Wagering Board to form the Commission under adoption of Chapter 60 of the Laws of 2012 as part of the FY 2012-2013 Enacted State Budget. The Commission oversees and regulates six gaming and racing programs, including Lottery, Video Lottery, Horse Racing, Charitable Gaming, Indian Casino Gaming and Commercial Casino Gaming. The mission of the Lottery is to raise revenue for education in New York State through the administration of lottery games, such as *Numbers*, *Win 4*, *Take 5*, *Lotto*, *Pick 10*, *Cash 4 Life*, *Mega Millions*, and *Powerball*, as well as Instant Scratch-off ticket games.

1.3 MINIMUM QUALIFICATIONS

Any Bidder submitting a bid in response to this IFB must meet the minimum qualifications listed below. **Bids not meeting these qualifications will not be considered.** Subcontracting is permitted under this solicitation, but subcontractors **may not be used to meet the Minimum Qualifications.**

- A. A Bidder must be a manufacturer or authorized reseller of lottery air-mix drawing machines in business for a minimum of five years and having provided air-mix lottery machines to at least three Lotteries in the United States.

In describing post-contract award requirements, an effort is made to use the term "Successful Bidder," and "Contractor" (whether capitalized or not).

1.7 HEADINGS

The headings used in this IFB are for convenience only and shall not affect the interpretation of any of the terms and conditions of this IFB.

1.8 PERMISSIBLE CONTACTS

Consistent with the public policy established by the Procurement Lobbying Law, described below, the Contract Management Specialist or Supervisor of Contract Administration designated below are the only points of contact with regard to matters relating to this IFB, unless additional points of contact are designated by them.

1.9 PROCUREMENT LOBBYING RESTRICTIONS

As required by the Procurement Lobbying Law (New York State's State Finance Law sections 139-j and 139-k), this IFB includes and imposes certain restrictions

on communications between the Commission and a Bidder during the procurement process. A Bidder is restricted from making contacts from the earliest solicitation of offers through final award and approval of the resulting Contract by the Commission, the OSC, and the OAG (“restricted period”) to any Commission staff member other than designated staff members unless the contact is permitted by the statutory exceptions set forth in New York State’s State Finance Law section 139-j (3)(a). Designated staff members (also referred to herein as “Permissible Contacts”) are identified above in Section 1.8 of this IFB.

Commission employees are permitted to communicate with Bidders concerning this IFB only under circumstances described in the New York State Procurement Lobbying Law. Any Bidder causing or attempting to cause a violation or circumvention of those requirements may be disqualified from further consideration for selection.

Commission employees are required to obtain certain information when contacted during the “restricted period” and to determine the responsibility of the Bidder pursuant to sections 139-j and 139-k of New York State’s State Finance Law. A violation can result in a determination of non-responsibility, which can result in disqualification for a contract award. In the event of two determinations within a four-year period, a Bidder will be debarred for a period of four years from obtaining a governmental procurement contract award. Further information about these requirements can be found at: <http://www.ogs.ny.gov/acpl>.

The Commission reserves the right, in its sole discretion, to terminate the Contract in the event that the Commission determines that the certification filed by the Bidder in accordance with New York State’s State Finance Law section 139-k was intentionally false or intentionally incomplete. Upon such determination, the Commission may exercise its termination right by providing written notification to the Bidder in accordance with the written notification terms of this Contract.

The BIDDER/OFFEROR DISCLOSURE/ CERTIFICATION FORM, Appendix C, must be completed and submitted with the Bidder’s response.

1.10 QUESTIONS AND INQUIRIES

Questions from Bidders regarding this IFB must be submitted via electronic mail no later than the date and time specified in the Schedule (Section 1.4). **Neither faxed nor telephoned questions are acceptable.** If questions are provided via an attachment to electronic mail, the questions must be provided in Microsoft Word format.

Bidders are cautioned that any question or inquiry regarding the IFB must be written in generic terms and must not contain pricing information. The inclusion of specific information about a Bidder’s Pricing Proposal in an inquiry may result in the Bidder’s disqualification.

Responses to all questions, and any changes to the IFB resulting from such questions, will be communicated via published addenda, which will be posted on the Commission's website.

A **Bidder Acknowledgement of Addendum form, Attachment 1**, will be provided with each addendum. Bidders are required to include a signed **Bidder Acknowledgement of Addendum Form** with their respective Proposals.

1.11 NON-COLLUSIVE BIDDING REQUIREMENT

In accordance with section 139-d of New York State's State Finance Law, if the Contract is awarded based upon the submission of bids, the Bidder must warrant, under penalty of perjury, that its Proposal was arrived at independently and without collusion aimed at restricting competition. Each Bidder must further warrant that, at the time the Bidder submitted its Proposal, an authorized and responsible person executed and delivered to the Commission a Non-Collusive Bidding Certification on Bidder's behalf.

The Non-Collusive Bidding Certification form, Appendix D, must be completed and submitted with the Proposal.

1.12 NEW YORK STATE VENDOR RESPONSIBILITY QUESTIONNAIRE

Bidder agrees to fully and accurately complete the New York State Vendor Responsibility Questionnaire ("Questionnaire"), which is available online at: <https://www.osc.state.ny.us/vendrep/>

Bidders are encouraged to complete the online form, as it will expedite Contract approval. If the Bidder does not have an online Questionnaire that is current and certified, the Bidder must complete the hardcopy **New York State Vendor Responsibility Questionnaire, Appendix E**. The Bidder acknowledges that the State's execution of the Contract will be contingent upon the Commission's determination that the Bidder is responsible, and that the Commission will be relying upon the Bidder's responses to the Questionnaire in making that determination. The Bidder agrees that if it is determined by the Commission that the Bidder's responses to the Questionnaire were intentionally false or intentionally incomplete, on such determination, the Commission may terminate the Contract by providing 10 days' written notification to the Contractor. In no case shall such termination of the Contract by the Commission be deemed a breach thereof, nor shall the Commission be liable for any damages for lost profits or otherwise, which may be sustained by the Contractor as a result of such determination.

Unless the New York State Vendor Responsibility Questionnaire has been filed online, the hardcopy Questionnaire, Appendix E, must be completed and submitted with the Proposal.

1.13 DESIGNATION OF PROPRIETARY INFORMATION (FOIL)

During the evaluation process, the content of each Proposal will be held in confidence, and details of any Proposal will not be revealed (except as may be required under the New York State Freedom of Information Law (New York State's Public Officers Law Article 6 ("FOIL")) or other State law). FOIL provides for an exemption from disclosure for trade secrets or information which, if disclosed, would cause substantial injury to the competitive position of a commercial enterprise. This exemption applies both during and after the evaluation process.

If a Bidder believes its Proposal contains any such trade secrets or other confidential information, the Bidder must submit a request with its Proposal to exempt such information from disclosure in response to a FOIL request. Such request must: (a) identify the specific material in the Proposal that the Bidder believes should be exempt from disclosure; (b) identify the location (section, page number) of such material; and (c) state the reasons why FOIL permits the exemption of such information from disclosure.

Requests for exemption of the entire contents of a Proposal from disclosure generally have not been found to be meritorious and are discouraged. Requests for exemption of information from disclosure should be limited to bona fide trade secrets or specific information, the disclosure of which would cause substantial injury to the Bidder's competitive position.

For proprietary designations, the Commission's legal staff, as directed by the Permissible Contacts, will review each designation and communicate with the Bidder in the determination of such designation. Any designation shall not become final until accepted by the Commission via formal letter. Once a designation is final, the Bidder will be required to submit a redacted version of the Proposal consistent with the accepted designation. The redacted version will be the material that is released in response to a relevant FOIL request.

1.14 CLARIFICATION PROCESS

The Commission may request clarification from a Bidder for the purpose of resolving any ambiguity or questioning information presented in the bid. Clarifications are an opportunity to explain, but not to make changes to, a bid. Responses must be submitted to the Commission within the time stipulated at the time of the request. As applicable, clarifications will be treated as addenda to the bid.

1.15 SITE VISITS

The Commission may visit any site where the Bidder conducts, or has conducted, operations similar to the services required in this IFB. The Bidder shall cooperate in arranging and coordinating such site visits, but the Bidder shall not be permitted to pay for any travel, accommodations, or other expenses of such site visits.

1.16 DISCLOSURE OF INVESTIGATIONS DURING PROPOSAL EVALUATION

Subsequent to a Bidder's Proposal submission, the Commission may initiate investigations into the backgrounds of the Bidder and individuals or entities related to any officers, directors, members, principals, investors, owners, subcontractors, employees, or any other individuals or entities related to the Bidder, as the Commission may deem appropriate, in its sole discretion. Such background investigations may include fingerprint identification by the New York State Division of Criminal Justice Services and the Federal Bureau of Investigation, and such additional investigation as may be required.

The Commission may reject a Proposal based upon the results of these background checks. Each Bidder is advised that any Bidder who knowingly provides false or intentionally misleading information in connection with any investigation by the Commission may cause such Bidder's Proposal to be rejected, or a Contract to be canceled by the Commission, in its sole discretion.

If a Bidder or a substantial subcontractor of the Bidder is a subsidiary of a parent entity, the Commission may request the above disclosures from the parent entity, in its sole discretion.

1.17 DISCLOSURE OF LITIGATION AND OTHER INFORMATION

The Commission has a strong interest in the Successful Bidder's continuing ability to provide secure, high quality products and services, and as such, the Commission requires that a Bidder list and summarize pending or threatened litigation, administrative or regulatory proceedings, or similar matters that could materially affect the Bidder. A Bidder, as part of its disclosure requirement, must state whether the Bidder, or any of the owners, officers, directors, or partners of such Bidder have ever been convicted of a felony. Failure to disclose any such matter may result in rejection of the Bidder's Proposal or in termination of a Contract. **Such disclosures must be included in the Bidder's Proposal.**

This disclosure obligation is a continuing requirement. Any such matter commencing after submission of a Proposal and, with respect to the Successful Bidder, after the approval of a Contract, must be disclosed to the Commission in a written statement and in a timely manner.

1.18 CONFLICTS OF INTEREST

Throughout the procurement process, Bidders must identify, and bring to the attention of the Commission, actual or apparent conflicts of interest as knowledge of such conflicts arises, as follows:

- A. Disclose any existing or contemplated relationship with any other person or entity, including relationships with any member, shareholders of five percent (5%) or more, or parent, subsidiary, or affiliated firm or entity, that would constitute an actual or potential conflict of interest or appearance of impropriety,

- relating to other clients/customers of the Bidder, or former officers and employees of the Commission and its Affiliates, in connection with the Bidder rendering services set forth in this IFB. If a conflict does or might exist, the Bidder must describe how the Bidder would eliminate or prevent such conflicts. The Bidder should also indicate what procedures will be followed to detect, notify the Commission of, and resolve any such conflicts;
- B. Disclose whether the Bidder, or any of its members, shareholders of five percent (5%) or more, parents, affiliates, or subsidiaries has been the subject of any investigation or disciplinary action by the New York State Joint Commission on Public Ethics or its predecessor State entities (collectively, "JCOPE"), and if so, a brief description must be included indicating how any matter before JCOPE was resolved, or whether it remains unresolved; and
- C. Indicate whether the Bidder (including any proposed subcontractors) has performed work for vendors now active, or seeking to become active, in the provision and/or management of gaming systems in lottery jurisdictions and disclose the nature of such work, including when such work was performed. It is incumbent upon the Bidder to demonstrate clearly that such work could have no real or perceived effect on the Bidder's independence and impartiality in the performance of the work required herein. If the Bidder has not performed work for vendors (as described in this paragraph), Bidders should so state.

In addition, the Bidder must complete and return with its Proposal, the Vendor Assurance of No Conflict of Interest or Detrimental Effect form, Appendix L. Any Bidder awarded a Contract under this IFB will have an on-going obligation to inform the Commission of any actual or apparent conflicts of interest. **This disclosure obligation is a continuing requirement.**

1.19 CHANGE IN FINANCIAL CONDITION

If a Bidder who has submitted a Proposal in response to this IFB experiences a substantial change in financial condition prior to the award of a Contract pursuant to this IFB, or if a Successful Bidder experiences a substantial change in financial condition during the term of the Contract with the Commission, each is required to notify in writing the Executive Director of the Commission, or his or her designee, at the time the change occurs or is identified. Failure to notify the Executive Director of the Commission, or his or her designee, of such a change may result in the rejection of a Bidder's Proposal or termination of the Contract, in the sole discretion of the Commission. The Commission reserves the right, based on its assessment of a change in financial condition, to reject a Bidder's Proposal or terminate a Contract. **This disclosure obligation is a continuing requirement.**

1.20 CHANGE IN OWNERSHIP

If a Bidder experiences a material change in ownership prior to the award of a Contract or during the term of a Contract with the Commission, the Bidder is required to notify in writing the Executive Director of the Commission, or

Commission designee, at the time the change occurs or is identified. "Material change in ownership" is defined as any merger, acquisition, assignment or change in parties who, in the aggregate, own greater than five percent (5%) of the Bidder or the parent company of the Bidder. Failure to notify the Executive Director of the Commission, or Commission designee, of such a change may result in the rejection of a Bidder's Proposal or termination of the Contract, in the sole discretion of the Commission. The Commission reserves the right, based on its assessment of a material change in ownership, to reject a Bidder's Proposal or terminate a Contract. **This disclosure obligation is a continuing requirement.**

1.21 NEW YORK STATE PUBLIC OFFICERS LAW

Contractors, consultants, vendors, and subcontractors may hire former Commission employees. However, as a general rule, and in accordance with New York State Public Officers Law Section 73, former employees of the Commission may neither appear nor practice before the Commission, nor receive compensation for services rendered on a matter before the Commission, for a period of two years following their separation from Commission service. In addition, former Commission employees are subject to a "lifetime bar" from appearing before the Commission or receiving compensation for services regarding any transaction in which they personally participated, or which was under their active consideration, during their tenure with the Commission.

1.22 ETHICS REQUIREMENTS

The Successful Bidder and its subcontractor(s) shall not engage any person who is, or has been at any time, in the employ of the State to perform services in violation of the provisions of the New York State Public Officers Law, other laws applicable to the service of State employees, and the rules, regulations, opinions, guidelines, or policies promulgated or issued by JCOPE (collectively, the "Ethics Requirements"). The Successful Bidder certifies that all its employees and those of its subcontractor(s) who are former employees of the State, and who are assigned to perform services pursuant to this Contract, shall be assigned in accordance with all Ethics Requirements. During the term of the Contract, no person who is employed by the Successful Bidder or its subcontractor(s) and who is disqualified from providing services set forth in this Contract pursuant to any Ethics Requirements may share in any net revenues of the Successful Bidder or its subcontractor(s) derived from this Contract. The Successful Bidder shall identify and provide the State with notice of those employees of the Successful Bidder and its subcontractor(s) who are former employees of the State that will be assigned to perform services pursuant to this Contract, and make sure that such employees comply with all applicable laws and prohibitions. The State may request that the Successful Bidder provide the State with whatever information the State deems appropriate about each such person's engagement, work cooperatively with the State to solicit advice from JCOPE, and, if deemed appropriate by the State, instruct any such person to seek the opinion of JCOPE. The State shall have the right to withdraw or withhold approval of any subcontractor(s) if utilizing such subcontractor(s) for any work performed hereunder would conflict with any of the

Ethics Requirements. The State shall have the right to terminate the Contract resultant from this IFB at any time if any work performed hereunder conflicts with any of the Ethics Requirements.

1.23 HIRING OF COMMISSION PERSONNEL

At all times during the Proposal evaluation period and continuing for one year following either the award of a contract, or the rejection of all Proposals, Bidders are prohibited from officially or unofficially making any employment offer, or proposing any business arrangement whatsoever, to any Commission employee involved in the evaluation of Proposals, the Contract award, or Contract negotiations. A Bidder making such an offer or proposition may be disqualified from further consideration.

1.24 CERTIFICATION OF COMPLIANCE WITH STATE FINANCE LAW § 139(I)

By submission of this Proposal, each Bidder and each person signing on behalf of any Bidder certifies, and in the case of a joint Proposal each party thereto certifies as to its own organization, under penalty of perjury, that the Bidder has and has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Such policy shall, at a minimum, meet the requirements of New York State's Labor Law section 201-G. Bidder certification of compliance with New York State's State Finance Law § 139-I is included with this IFB as **Appendix M, Statement on Sexual Harassment**.

1.25 EXECUTIVE ORDER NO. 177 CERTIFICATION

The New York State Human Rights Law, Article 15 of the Executive Law, prohibits discrimination and harassment based on age, race, creed, color, national origin, sex, pregnancy or pregnancy-related conditions, sexual orientation, gender identity, disability, marital status, familial status, domestic violence victim status, prior arrest or conviction record, military status, or predisposing genetic characteristics.

The Human Rights Law may also require reasonable accommodation for persons with disabilities and pregnancy-related conditions. A reasonable accommodation is an adjustment to a job or work environment that enables a person with a disability or pregnancy-related condition to perform the essential functions of a job in a reasonable manner. The Human Rights Law may also require reasonable accommodation in employment on the basis of Sabbath observance or religious practices.

In accordance with Executive Order No. 177, the Bidder must certify that it does not have institutional policies or practices that fail to address the harassment and discrimination of individuals on the basis of their age, race, creed, color, national origin, sex, sexual orientation, gender identity, disability, marital status, military

status, or other protected status under the Human Rights Law. The certification is included with this IFB as **Appendix N, Anti-Discrimination EO 177 Certification.**

Executive Order No. 177 and this certification do not affect institutional policies or practices that are protected by existing law, including, but not limited to the First Amendment of the United States Constitution, Article 1, Section 3 of the New York State Constitution, and section 296(11) of the New York State Human Rights Law.

1.26 NEWS RELEASES

A news release pertaining to this IFB, or the services, evaluation, or project to which this IFB relates, may not be made without the Commission's prior written approval, and then only in accordance with express written instructions from the Commission. No outcome of the award under this procurement may be released without the Commission's prior written approval, and then only to persons designated by the Commission.

1.27 ADVERTISING

Each Bidder agrees not to use the Commission's name, logos, images, nor any data or results arising from this procurement or Contract as part of any commercial advertising without prior written approval by the Commission, and then only in consultation and cooperation with the Commission.

1.28 STATE'S RESERVED AUTHORITY

In addition to any authority set forth elsewhere in this IFB, the Commission reserves the authority to:

- A. Award a Contract for all, part, or none of the services requested by this IFB;
- B. Waive any informality or technical defect if, in the judgment of the Commission, the best interest of the Commission will be so served;
- C. Eliminate any non-material specification(s) that cannot be complied with by any of the prospective Bidders;
- D. Amend the IFB and direct Bidders to submit Proposal modifications accordingly;
- E. Change any of the scheduled dates stated herein;
- F. Reject any or all Proposals received in response to this IFB, and reissue a modified version of this IFB;
- G. Withdraw the IFB at any time, at the sole discretion of the Commission;
- H. Seek clarifications and revisions to Proposals;

- I. Use information obtained through site visits, management interviews, and the investigation of a Bidder's qualifications, experience, ability, or financial standing, and any material or information submitted by the Bidder in response to the request by the Commission for clarifying information in evaluation and/or selection under this IFB;
- J. Disqualify any Bidder whose conduct and/or Proposal fails to conform to the requirements of this IFB;
- K. Negotiate with the Successful Bidder within the scope of the IFB in the best interests of the State;
- L. Request Best and Final Offers;
- M. Set aside the original Successful Bidder if the Commission determines that such Bidder is non-responsive or not responsible. The Commission may then award a Contract to the responsive and responsible Bidder with the next lowest cost if such Bidder is responsible and responsive; and
- N. Stop the work covered by the Proposal and the Contract at any time that it is deemed the Successful Bidder is unable, unwilling, or incapable of performing the work to the Commission's satisfaction. The Commission may then arrange for the completion of the work as it deems advisable, and if the cost thereof exceeds the amount of the bid, the Successful Bidder and its surety shall be liable to the State for such cost. If the Commission provides a stop order to the Successful Bidder to stop the work as provided herein, presenting the reason for the stoppage, then the Contractor shall have ten (10) working days to respond thereto before any such stop order shall become effective.

PART 2 – CONTRACTUAL PROVISIONS

2.1 **GOVERNING LAW**

The IFB and any Contract resulting from this IFB shall be governed by, and interpreted according to, the laws of the State of New York. Any and all disputes of claims arising under this IFB or any Contract resulting from this IFB, other than as specifically set forth in this IFB, shall be brought exclusively in the appropriate court in New York State; and, by submitting a bid, a Bidder waives access to any other court or forum that may have concurrent jurisdiction within or outside New York State to hear or resolve any such dispute or claim.

2.2 **FORM OF CONTRACTUAL AGREEMENT**

Following notification of award, the Successful Bidder will be expected to sign a Contract with the Commission. The final Contract will be in the form incorporated into the IFB as **Appendix B** (the “Contract”), or as revised through the IFB amendment process.

Appendix A, Standard Clauses for New York State Contracts, is incorporated into the Contract. The Contract will become binding and effective after approval by the Commission and the OAG and the OSC.

Every Bidder responding to this IFB must include in its bid a signed Contract in the form attached as **Appendix B**. (iii) When an emergency or other circumstance occurs, which renders immediate compliance with the foregoing requirements impractical, the Commission may, in its sole judgment, defer an individual's compliance with the foregoing requirements and grant temporary access. Such deferment shall not be construed as a waiver of the Commission's right to subsequently require security clearance as to any individual previously granted such temporary access; provided however, that even in such circumstances, the Commission shall approve such individual's access prior to such individual accessing a site, system, or data and the Commission may accompany such individual at all times when on-site.

Note: the Successful Bidder is also entitled to a debriefing.

5.5 PROTEST OR APPEAL

In the event that a Bidder decides to protest the award decision, the following protest procedures will be followed:

The final written determination provided to the Bidder will constitute the Commission's final administrative determination of the protest.
- D. If an unsuccessful Bidder decides to appeal the Commission's protest determination, the unsuccessful bidder must submit such an appeal to the OSC's Bureau of Contracts ("BOC"), within ten (10) business days of receipt of the Commission's final written determination. A copy of the appeal must be served on the Commission, the Successful Bidder(s), and any other party that participated in the review of the protest conducted by the Commission. The unsuccessful Bidder's appeal must contain a written affirmation that a copy of the appeal has been served as required by this paragraph.

- G. The Successful Bidder may, but is not required to, submit to the BOC an answer to the appeal. Such answer must include written affirmation that the answer was simultaneously delivered to the Commission and the protestor, and must meet the submission requirements as noted above for the Commission.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law § 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the

Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-

a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the

agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of

\$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a," "b," and "c" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The

contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by

any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in § 165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES. In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

The Omnibus Procurement Act of 1992 (Chapter 844 of the Laws of 1992, codified in State Finance Law § 139-i and Public Authorities Law § 2879(3)(n)-(p)) requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than \$1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority- and

women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5))) require that they be denied contracts which they would otherwise obtain. NOTE: As of October 2019, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law § 899-aa and State Technology Law § 208) and commencing March 21, 2020 shall also comply with General Business Law § 899-bb.

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at: <https://ogs.ny.gov/list-entities-determined-be-non-responsive-biddersofferers-pursuant-nys-iran-divestment-act-2012>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT. Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

(a) The Commission shall have the right to terminate this Contract for convenience or for any of the following causes:

- (i) a material breach by the Contractor of any of the provisions of this Contract;
- (ii) a determination by a court of competent jurisdiction that the Contractor is bankrupt or insolvent;
- (iii) a good faith determination by the Commission that continuation of the Contract could place the integrity of the Commission in jeopardy; or
- (iv) a conviction of the Contractor or any of its directors, officers, or employees of any criminal offense connected to the Contractor's business which, in the sole reasonable opinion of the Executive Director of the Commission, would be prejudicial to public confidence in the New York Lottery or the Commission.

(v) Grounds for Cancellation. Upon the refusal by a person, when called before a grand jury, head of a state department, temporary state commission or other state agency, or the organized crime task force in the department of law, which is empowered to compel the attendance of witnesses and examine them under oath, to testify in an investigation, concerning any transaction or contract had with the state, any political subdivision thereof, a public authority or with any public department, agency or official of the state or of any political subdivision thereof or of a public authority, to sign a waiver of immunity against subsequent criminal prosecution or to answer any relevant question concerning such transaction or contract.

Such person, and any firm, partnership or corporation of which he is a member, partner, director or officer shall be disqualified from thereafter selling to or submitting bids to or receiving awards from or entering into any contracts with the state or any public department, agency or official thereof, for goods, work or services, for a period of five (5) years after such refusal, and to provide also that any and all contracts made with the State or any public department, agency or official thereof, since the effective date of this law, by such person, and by any firm, partnership or corporation of which he is a member, partner, director or officer may be cancelled or terminated by the State without incurring any penalty or damages on account of

such cancellation or termination, but any monies owing by the State for goods delivered or work done prior to the cancellation or termination shall be paid.

(b) In the event that the Commission decides to exercise the right to terminate this Contract for cause, the Commission shall give the Contractor written Notice of Intention to Terminate for Cause (“Notice”). Such Notice shall state clearly and specifically the cause for which termination is sought, and the Contractor shall be entitled to a period of thirty (30) days from receipt of such Notice to correct or cure the cause so described to the reasonable satisfaction of the Commission in which case such Notice shall be deemed withdrawn and a nullity. If termination is sought because of a criminal conviction as described in subparagraph (iv) of Paragraph (a) of this section 6, the cause for termination shall be deemed to be cured if the Contractor causes or obtains the dismissal, resignation, retirement, or other removal of the person convicted of such offense during such thirty (30) day period.

(c) The Commission reserves the right to terminate this Contract in the event it is found that the certification filed by the Contractor in accordance with New York State’s State Finance Law § 139-k was intentionally false or intentionally incomplete. Upon such finding, the Commission may exercise its termination right by providing written notice to the Contractor in accordance with the written notice terms of this Contract.

(d) Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate Commission officials or staff, the Contract may be terminated by the Executive Director or his or her designee at the Contractor’s expense where the Contractor is determined by the Executive Director or his or her designee to be non-responsible or nonresponsible. In such event, the Executive Director or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

(e) The Executive Director of the Commission, or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Executive Director of the Commission or his or her designee issues a written notice authorizing a resumption of performance under the Contract.

7. Conflict of Interest.

(a) The Contractor has provided a form (Vendor Assurance of No Conflict of Interest or Detrimental Effect) signed by an authorized executive or legal representative attesting that the Contractor's performance of the services does not and will not create a conflict of interest with, nor position the Contractor to breach any other contract currently in force with the State of New York, that the Contractor will not act in any manner that is detrimental to any State project on which the Contractor is rendering services.

(b) The Contractor hereby covenants and represents that there is and shall be no actual or potential conflict of interest that could prevent the Contractor's satisfactory or ethical performance of duties required to be performed pursuant to the terms of this Contract. The Contractor shall have a duty to notify the Commission immediately of any actual or potential conflicts of interest.

(c) In conjunction with any subcontract under this Contract, the Contractor shall obtain and deliver to the Commission, prior to entering into a subcontract, a completed Vendor Assurance of No Conflict of Interest or Detrimental Effect form signed by an authorized executive or legal representative of each subcontractor. The Contractor shall also require in any

subcontracting agreement that the subcontractor, in conjunction with any further subcontracting agreement, obtain and deliver to the Commission a signed and completed Vendor Assurance of No Conflict of Interest or Detrimental Effect form for each of its subcontractors prior to entering into a subcontract.

(d) The Commission and the Contractor recognize that conflicts may occur in the future because the Contractor may have existing, or establish new, relationships. The Commission will review the nature of any relationships and reserves the right to terminate this Contract for any reason, or for cause, if, in the judgment of the Commission, a real or potential conflict of interest cannot be cured.

8. Confidentiality and Non-Disclosure.

(a) For the purposes of this section, “Confidential Information” means any information not generally known to the public, whether oral or written, that the Commission identifies as confidential and discloses to the Contractor so that the Contractor can provide services to the Commission pursuant to this Contract. Confidential Information may include, but is not limited to, operational and infrastructure information relating to: bid documents, plans, drawings, specifications, reports, product information; business and security processes and procedures; personnel and organizational data, and financial statements; information system IP addresses, passwords, security controls, architectures and designs; and such other data, information and images that the Commission deems confidential. The Commission will identify written Confidential Information by marking it with the word “Confidential” and will identify oral Confidential Information as confidential at the time of disclosure to the Contractor.

(iv) is required to be disclosed by the Contractor pursuant to law or applicable professional standards, so long as the Contractor provides the Commission with notice of such disclosure requirement and an opportunity to defend prior to any such disclosure.

(c) The Contractor may use Confidential Information solely for the purposes of providing services to the Commission pursuant to this Contract. The Contractor shall not make copies of any written Confidential Information, except as necessary to perform the services required by this Contract, without the express written permission of the Commission. The Commission's disclosure of Confidential Information to the Contractor shall not convey to the Contractor any right or interest in such Confidential Information and the Commission shall retain all right and title to such Confidential Information at all times.

(d) The Contractor shall hold Confidential Information confidential to the maximum extent permitted by law. The Contractor shall safeguard Confidential Information with at least the same level of care and security, using all reasonable and necessary security measures, devices and procedures that the Contractor uses to maintain its own confidential information.

(e) Upon written request by the Commission, the Contractor shall return all written Confidential Information to the Commission.

9. Records Retention. Records required by this Contract to be retained by the Contractor shall be retained for the periods specified in Appendix A, attached hereto. **NEW YORK STATE
VENDOR RESPONSIBILITY QUESTIONNAIRE
FOR-PROFIT BUSINESS ENTITY**

You have selected the For-Profit Non-Construction questionnaire which may be printed and completed in this format or, for your convenience, may be completed online using the New York State VendRep System.

COMPLETION & CERTIFICATION

The person(s) completing the questionnaire must be knowledgeable about the vendor's business and operations. An owner or officer must certify the questionnaire and the signature must be notarized.

NEW YORK STATE VENDOR IDENTIFICATION NUMBER (VENDOR ID)

The Vendor ID is a ten-digit identifier issued by New York State when the vendor is registered on the Statewide Vendor File. This number must now be included on the questionnaire. If the business entity has not obtained a Vendor ID, contact the OSC Help Desk at ciohelpdesk@osc.state.ny.us or call 866-370-4672.

DEFINITIONS

All underlined terms are defined in the "New York State Vendor Responsibility Definitions List," found at www.osc.state.ny.us/vendrep/documents/definitions.pdf. These terms may not have their ordinary, common or traditional meanings. Each vendor is strongly encouraged to read the respective definitions for any and all underlined terms. By submitting this questionnaire, the vendor agrees to be bound by the terms as defined in the "New York State Vendor Responsibility Definitions List" existing at the time of certification.

RESPONSES

Every question must be answered. Each response must provide all relevant information which can be obtained within the limits of the law. However, information regarding a determination or finding made in error which was subsequently corrected is not required. Individuals and Sole Proprietors may use a Social Security Number but are encouraged to obtain and use a federal Employer Identification Number (EIN).

REPORTING ENTITY

Each vendor must indicate if the questionnaire is filed on behalf of the entire Legal Business Entity or an Organizational Unit within or operating under the authority of the Legal Business Entity and having the same EIN. Generally, the Organizational Unit option may be appropriate for a vendor that meets the definition of "Reporting Entity" but due to the size and complexity of the Legal Business Entity, is best able to provide the required information for the Organizational Unit, while providing more limited information for other parts of the Legal Business Entity and Associated Entities.

ASSOCIATED ENTITY

An Associated Entity is one that owns or controls the Reporting Entity or any entity owned or controlled by the Reporting Entity. However, the term Associated Entity does **not** include "sibling organizations" (i.e., entities owned or controlled by a parent company that owns or controls the Reporting Entity), unless such sibling entity has a direct relationship with or impact on the Reporting Entity.

STRUCTURE OF THE QUESTIONNAIRE

The questionnaire is organized into eleven sections. Section I is to be completed for the Legal Business Entity. Section II requires the vendor to specify the Reporting Entity for the questionnaire. Section III refers to the individuals of the Reporting Entity, while Sections IV-VIII require information about the Reporting Entity. Section IX pertains to any Associated Entities, with one question about their Officials/Owners. Section X relates to disclosure under the Freedom of Information Law (FOIL). Section XI requires an authorized contact for the questionnaire information.

**PARTICIPATION BY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES:
REQUIREMENTS AND PROCEDURES**

I. General Provisions

- A. The New York State Gaming Commission (the “Commission”) is required to implement the provisions of New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations (“NYCRR”) for all State contracts, as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
- B. The contractor to the subject contract (the “Contractor” and the “Contract,” respectively) agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to the Commission, to fully comply and cooperate with the Commission in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for New York State-certified minority and women-owned business enterprises (“MWBEs”). The Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR § 142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) and other applicable federal, state, and local laws.
- C. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the assessment of liquidated damages pursuant to Section VII of this Appendix and such other remedies are available to the Commission pursuant to the Contract and applicable law.

II. Contract Goals

For purposes of this solicitation, the Commission hereby establishes an overall goal of **0%** for MWBE participation, based on the current availability of qualified MBEs and WBEs.

- A. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the MWBE Contract Goals established in Section II-A hereof, the Contractor should reference the directory of MWBEs at the following internet address: <https://ny.newnycontracts.com>.

Additionally, the Contractor is encouraged to contact the Division of Minority and Women’s Business Development at (212) 803-2414 to discuss additional methods of maximizing participation by MWBEs on the Contract.

- B. The Contractor understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be

applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25percent of the total value of the contract.

- C. The Contractor must document “good faith efforts,” pursuant to 5 NYCRR § 142.8, to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. Such documentation shall include, but not necessarily be limited to:
1. Evidence of outreach to MWBEs;
 2. Any responses by MWBEs to the Contractor’s outreach;
 3. Copies of advertisements for participation by MWBEs in appropriate general circulation, trade, and minority or women-oriented publications;
 4. The dates of attendance at any pre-bid, pre-award, or other meetings, if any, scheduled by the Commission with MWBEs; and,
 5. Information describing specific steps undertaken by the Contractor to reasonably structure the Contract scope of work to maximize opportunities for MWBE participation.

III. Equal Employment Opportunity (“EEO”)

- A. The provisions of Article 15-A of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to the Contract.
- B. In performing the Contract, the Contractor shall:
1. Ensure that each contractor and subcontractor performing work on the Contract shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.
 2. The Contractor shall submit an EEO policy statement to the Commission within seventy-two (72) hours after the date of the notice by the Commission to award the Contract to the Contractor.
 3. If the Contractor, or any of its subcontractors, does not have an existing EEO policy statement, the Commission may require the Contractor or subcontractor to adopt a model statement (see Form – Equal Employment Opportunity Policy Statement).
 4. The Contractor’s EEO policy statement shall include the following language:
 - a. The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability, or marital status, will undertake or continue existing EEO programs to ensure that

minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force.

- b. The Contractor shall state in all solicitations or advertisements for employees that, in the performance of the contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
- c. The Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
- d. The Contractor will include the provisions of Subdivisions (a) through (c) of this Subsection 4 and Paragraph "E" of this Section III, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the Contract.

C. Form J-2- Staffing Plan

To ensure compliance with this Section, the Contractor shall submit a staffing plan to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and Federal occupational categories. The Contractor shall complete the staffing plan form and submit it as part of their bid or proposal or within a reasonable time, as directed by the Commission.

D. Form J-3 - Workforce Utilization Report

1. The Contractor shall submit a Workforce Utilization Report, and shall require each of its subcontractors to submit a Workforce Utilization Report, in such form as shall be required by the Commission on a quarterly basis during the term of the Contract.
2. Separate forms shall be completed by the Contractor and any subcontractors.

- E. The Contractor shall comply with the provisions of the Human Rights Law, and all other State and Federal statutory and constitutional non-discrimination provisions. The Contractor and its subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

IV. MWBE Utilization Plan

- A. The Contractor represents and warrants that the Contractor has submitted an MWBE Utilization Plan, or shall submit an MWBE Utilization Plan at such time as shall be required by the Commission, through the New York State Contract System (“NYSCS”), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that the Contractor may arrange to provide such evidence via a non-electronic method to the Commission, either prior to, or at the time of, the execution of the contract.
- B. The Contractor agrees to adhere to such MWBE Utilization Plan in the performance of the Contract.
- C. The Contractor further agrees that failure to submit and/or adhere to such MWBE Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, the Commission shall be entitled to any remedy provided herein, including but not limited to, a finding that the Contractor is non-responsive.

V. Waivers

- A. If the Contractor, after making good faith efforts, is unable to achieve the MWBE Contract Goals stated herein, the Contractor may submit a request for a waiver through the NYSCS, or a non-electronic method provided by the Commission. Such waiver request must be supported by evidence of the Contractor’s good faith efforts to achieve the maximum feasible MWBE participation towards the applicable MWBE Contract Goals. If the documentation included with the waiver request is complete, the Commission shall evaluate the request and issue a written notice of approval or denial within twenty (20) business days of receipt.
- B. If the Commission, upon review of the MWBE Utilization Plan, quarterly MWBE Contractor Compliance Reports described in Section VI, or any other relevant information, determines that the Contractor is failing or refusing to comply with the MWBE Contract Goals, and no waiver has been issued in regards to such non-compliance, the Commission may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

VI. Quarterly MWBE Contractor Compliance Report

The Contractor is required to submit a quarterly MWBE Contractor Compliance Report through the NYSCS, provided, however, that the Contractor may arrange to provide such report via a non-electronic method to the Commission by the 10th day following the end of each quarter during the term of the Contract.

VII. Liquidated Damages - MWBE Participation

- A. Where the Commission determines that the Contractor is not in compliance with the requirements of this Appendix and the Contractor refuses to comply with such requirements, or if the Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals, the Contractor shall be obligated to pay to the Commission liquidated damages.
- B. Such liquidated damages shall be calculated as an amount equaling the difference between:
 - 1. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
 - 2. All sums actually paid to MWBEs for work performed or materials supplied under the Contract.
- C. In the event a determination has been made which requires the payment of liquidated damages and such identified sums have not been withheld by the Commission, the Contractor shall pay such liquidated damages to the Commission within sixty (60) days after they are assessed. Provided, however, that if the Contractor has filed a complaint with the Director of the Division of Minority and Women's Business Development pursuant to 5 NYCRR § 142.12, liquidated damages shall be payable only in the event of a determination adverse to the Contractor following the complaint process.

PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED SERVICE-DISABLED VETERAN OWNED BUSINESSES

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses (“SDVOB”), thereby further integrating such businesses into New York State’s economy. The New York State Gaming Commission (the “Commission”) recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of Commission contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Bidders are expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

I. Contract Goals

- A. The Commission hereby establishes an overall goal of 0% for SDVOB participation, based on the current availability of qualified SDVOBs. For purposes of providing meaningful participation by SDVOBs, the Bidder/Contractor should reference the directory of New York State Certified SDVOBs found at: https://ogs.ny.gov/veterans/Docs/CertifiedNYS_SDVOB.pdf. Questions regarding compliance with SDVOB participation goals should be directed to Michele June, Michele.June@gaming.ny.gov. Additionally, following Contract execution, Contractor is encouraged to contact the Commission to discuss additional methods of maximizing participation by SDVOBs on the Contract.
- B. Contractor must document “good faith efforts” to provide meaningful participation by SDVOBs as subcontractors or suppliers in the performance of the Contract (see clause IV below).

II. SDVOB Utilization Plan

- A. In accordance with 9 NYCRR § 252.2(i), Bidders are required to submit a completed SDVOB Utilization Plan on Form SDVOB 100 with their bid.
- B. The Utilization Plan shall list the SDVOBs that the Bidder intends to use to perform the Contract, a description of the work that the Bidder intends the SDVOB to perform to meet the goals on the Contract, the estimated dollar amounts to be paid to an SDVOB, or, if not known, an estimate of the percentage of Contract work the SDVOB will perform. By signing the Utilization Plan, the Bidder acknowledges that making false

representations or providing information that shows a lack of good faith as part of, or in conjunction with, the submission of a Utilization Plan is prohibited by law and may result in penalties including, but not limited to, termination of a contract for cause, loss of eligibility to submit future bids, and/or withholding of payments. Any modifications or changes to the agreed participation by SDVOBs after the Contract award and during the term of the Contract must be reported on a revised SDVOB Utilization Plan and submitted to the Commission.

- C. The Commission will review the submitted SDVOB Utilization Plan and advise the Bidder/Contractor of Commission acceptance or issue a notice of deficiency within 20 days of receipt.
- D. If a notice of deficiency is issued, Bidder/Contractor agrees that it shall respond to the notice of deficiency, within seven business days of receipt, by submitting to the Commission a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by the Commission to be inadequate, the Commission shall notify the Bidder/Contractor and direct the Bidder/Contractor to submit, within five business days of notification by the Commission, a request for a partial or total waiver of SDVOB participation goals on SDVOB 200. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.
- E. The Commission may disqualify a Bidder's bid or proposal as being non-responsive under the following circumstances:
 - (a) If a Bidder fails to submit an SDVOB Utilization Plan;
 - (b) If a Bidder fails to submit a written remedy to a notice of deficiency;
 - (c) If a Bidder fails to submit a request for waiver; or
 - (d) If the Commission determines that the Bidder has failed to document good faith efforts.
- F. If awarded a Contract, Contractor certifies that it will follow the submitted SDVOB Utilization Plan for the performance of SDVOBs on the Contract pursuant to the prescribed SDVOB contract goals set forth above.
- G. Contractor further agrees that a failure to use SDVOBs as agreed in the Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, the Commission shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsibility.

III. Request for Waiver

- A. **Prior to submission of a request for a partial or total waiver, Bidder/Contractor shall speak to the Commission for guidance.**
- B. In accordance with 9 NYCRR § 252.2(m), a Bidder/Contractor that is able to document good faith efforts to meet the goal requirements, as set forth in clause IV below, may submit a request for a partial or total waiver on Form SDVOB 200, accompanied by supporting documentation. A Bidder may submit the request for waiver at the same time it submits its SDVOB Utilization Plan. If a request for waiver is submitted with the

SDVOB Utilization Plan and is not accepted by the Commission at that time, the provisions of clauses II (C), (D) & (E) will apply. If the documentation included with the Bidder's/Contractor's waiver request is complete, the Commission shall evaluate the request and issue a written notice of acceptance or denial within 20 days of receipt.

- C. Contractor shall attempt to utilize, in good faith, the SDVOBs identified within its SDVOB Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract award may be made at any time during the term of the Contract to the Commission, but must be made no later than prior to the submission of a request for final payment on the Contract.
- D. If the Commission, upon review of the SDVOB Utilization Plan and Monthly SDVOB Compliance Report (SDVOB 101) determines that Contractor is failing or refusing to comply with the contract goals and no waiver has been issued in regards to such non-compliance, the Commission may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven business days of receipt. Such response may include a request for partial or total waiver of SDVOB contract goals.

Waiver requests should be sent to Michele.June@gaming.ny.gov.

IV. Required Good Faith Efforts

In accordance with 9 NYCRR § 252.2(n), Contractors must document their good faith efforts toward utilizing SDVOBs on the Contract. Evidence of required good faith efforts shall include, but not be limited to, the following:

- (1) Copies of solicitations to SDVOBs and any responses thereto.
- (2) Explanation of the specific reasons each SDVOB that responded to Bidders/Contractors' solicitation was not selected.
- (3) Dates of any pre-bid, pre-award or other meetings attended by Contractor, if any, scheduled by the Commission with certified SDVOBs whom the Commission determined were capable of fulfilling the SDVOB goals set in the Contract.
- (4) Information describing the specific steps undertaken to reasonably structure the Contract scope of work for the purpose of subcontracting with, or obtaining supplies from, certified SDVOBs.
- (5) Other information deemed relevant to the waiver request.

V. Monthly SDVOB Contractor Compliance Report

In accordance with 9 NYCRR § 252.2(q), Contractor is required to report Monthly SDVOB Contractor Compliance to the Commission during the term of the Contract for the preceding month's activity, documenting progress made towards achieving the Contract SDVOB goals. This information must be submitted using form SDVOB 101 available at <https://ogs.ny.gov/veterans/>, and should be completed by the Contractor and submitted to the Commission, by the 10th day of each month during the term of the Contract, for the preceding month's activity to: Michele.June@gaming.ny.gov.

VI. Breach of Contract and Damages

In accordance with 9 NYCRR § 252.2(s), any Contractor found to have willfully and intentionally failed to comply with the SDVOB participation goals set forth in the Contract, shall be found to have breached the contract and Contractor shall pay damages as set forth therein.

2. Policy Forms. Policies must be written on an **occurrence** basis, except as may be otherwise specifically provided herein, or agreed to in writing by the Commission. Under certain circumstances, the Commission may elect to accept policies written on a claims-made basis provided that, at a minimum, the policy remains in force throughout the performance of the services and for three (3) years after completion of the Contract. If the policy is cancelled or not renewed during that time, the Contractor must purchase at its sole expense Discovery Clause coverage sufficient to complete the 3-year period after completion of the Contract. Written proof of this extended reporting period must be provided to the Commission prior to the expiration or cancellation of the policy.

3. Certificates of Insurance/Notices. Contractor shall provide a Certificate or Certificates of Insurance, in a form satisfactory to the Commission, before commencing any work under this Contract. Certificates shall be mailed using the contact information provided in Part 1 of this RFP. Copies of the full policy shall be provided to the Commission by the Contractor upon request.

Unless otherwise agreed, insurance policies shall be written so as to include a provision that the policy will not be canceled, materially changed, or not renewed without at least thirty (30) days' prior written notice to the Commission.

Certificates of Insurance shall:

- a. Be in the form approved by the Commission.
- b. Disclose any deductible, self-insured retention, aggregate limit or any exclusion to the policy that materially changes the coverage required by the RFP and the Contract.
- c. Specify the Additional Insureds and Named Insureds as required herein.
- d. When coverage is provided by a non-admitted carrier, be accompanied by a completed ELANY Affidavit,
- e. Be signed by an authorized representative of the insurance carrier or producer.

4. Primary Coverage. All insurance policies shall provide that the required coverage shall apply on a primary and not on an excess or contributing basis as to any other insurance that may be available to the Commission for any claim arising from the Contractor's work under this Contract, or as a result of the Contractor's activities. Any other insurance maintained by the Commission shall be excess of and shall not contribute with the Contractor's insurance regardless of the "other insurance" clause contained in the Commission's own policy of insurance.

5. Policy Renewal/Expiration. At least two weeks prior to the expiration of any insurance policy required by this Contract, evidence of renewal or replacement policies of insurance with terms no less favorable to the Commission than the expiring policies shall be delivered to the Commission in the manner required for service of notice in Paragraph A.3 above. If, at any time during the term of this Contract, the coverage provisions and limits of the insurance policies required herein do not meet the provisions and limits set forth in the Contract or proof thereof is not provided to the Commission, the Contractor shall immediately cease work on the project. The Contractor shall not resume work on the project outlined within the RFP and the Contract until authorized to do so by the Commission. Any delay, time lost, or additional cost incurred as a result of the Contractor not having the insurance required by the Contract, or not providing proof of same in a form acceptable to the Commission, shall not give rise to a delay claim or any other claim against the Commission. Should the Contractor fail to provide or maintain any insurance required by this Contract, or proof of insurance is not provided to the Commission, the Commission may withhold further Contract payments, treat such failure as a breach or default of the Contract, and/or, after providing written notice to the Contractor, require the Surety, if any, to secure appropriate coverage and/or purchase insurance complying with the Contract and charge back such purchase to the Contractor.

6. Self-Insured Retention/Deductibles. Additional surety/security may be required in certain circumstances. The Contractor shall be solely responsible for all claim expenses and loss payments within any self-insured retention or deductible.

7. Subcontractors. Should the Contractor engage a subcontractor, the Contractor shall endeavor to impose the insurance requirements of this document on the subcontractor, as applicable. Required insurance limits should be determined commensurate with the work of the subcontractor. Proof thereof shall be supplied to the Commission.
