**Certified Public Accounting Services – Examination of Financial Statements and  
Performance of Agreed Upon Procedures  
Question and Answer Summary  
Issued: November 13, 2018**

**Q.1:** We are a Minority Business Enterprise (MBE) registered here in NY, we would like to ask if we still need to comply with the MWBE requirement under the RFP?

**A.1:** **In this case, the requirement would be met through self-performance of the scope as a certified MWBE Prime vendor.**

**Q.2:** Also, we would like to clarify the overall goal of 30% for MWBE participation because not all MBE's are also WBE's and vice versa. Does this mean that it must be prorated as 15% for MBE and 15% for WBE or compliance with one (e.g. 30% MBE participation), is considered sufficient compliance with the whole?

**A.2:** **The goal is a 30% overall goal - it's not designated as M or W it is a combined 30%**
