Dear Mr. Gendron:

This letter serves as an addendum to Amendment Two of Agreement Number C080005 between the New York State Gaming Commission, Division of the Lottery (the "Lottery"), and IGT Global Solutions Corporation (the "Contractor"), (the "Parties"). Upon signature of this letter, the Parties agree to amend Paragraph 3(d), Amendment Two of the Agreement, "Provision of Additional Retailer Equipment", sections (i) and (iii), based solely on the change in the type of equipment being supplied and no change in value of the transaction, as follows:

In lieu of Contractor providing one thousand (1,000) next generation Flex terminals, at no additional cost to the Lottery, Contractor will provide an additional one hundred eighty (180) 28-bin Gemini Touch units, valued at \$20,000 each, at no additional cost. All terms and conditions otherwise related to the Gemini Touch units and Flex terminals remain in effect.

All other provisions of the Agreement, as amended by Amendments One and Two and subsequent written addenda, remain in full force and effect.
