Caesars New York will employ approximately 3,000 individuals, including positions in gaming operations, non-gaming operations, food and beverage, hotel and general and administrative areas. Average compensation, including salary, wages and benefits, will be approximately \$50,000.

Caesars offers rewarding careers with excellent benefits and long-term access to the broader Caesars network. Caesars has a long history of providing robust benefits to its employees. These include quarterly bonus programs for increased customer service scores and medical, dental and vision insurance. Caesars' Wellness Rewards program has successfully kept employee medical premiums low and reduced chronic conditions among employees, as well as providing on-site biometric screenings and access to a nurse.

The average salary will vary by area and classification. The following is the average compensation by category for permanent employees, with a more detailed view by functional area for low-, average-, and high-case scenarios in the attachment Caesars New York Pay Rates (VIII.B.7.a_A1):
