Additionally, the Applicant will hold local vendor fairs on a regular basis that will inform local business owners of the goods and services needed by the Gaming Facility. The Applicant will strategically source goods and services and create a fair bid process that will give consideration to local businesses when applicable.

Further, we want to help the community celebrate items for which it is well known. It is the intent of the Applicant to feature certain items sourced from local Capital Region businesses, such as beer from a local brewery. This helps us bring local flavor into the Gaming Facility and recognition to deserving local businesses.

Also, as discussed in Exhibit VIII.C.10.a, it is the intent of the Applicant to partner with local restaurateurs to operate some or all of the food & beverage venues. In particular, please see the discussion with respect to the Mallozzi Group, a highly respected local restaurant group based in Schenectady, NY.

In addition, please see Exhibit IX.B.1 for information about local business promotion, including the Rush Rewards Plus Program. The Rush Rewards Plus Program will allow the Applicant to link its customer loyalty program, Rush Rewards, to the local business community, promoting trial and patronage of partner restaurants, hotels and community businesses.
