

Exhibit VIII.C.13
Back of House

Submit as Exhibit VIII.C.13 a description including square footage of back of house, security, kitchen and office facilities to support the remaining building program.

Please see Attachment 'A' to Exhibit VIII C.4.c for the breakdown of the square footage of the various Back of House facilities. Please see Attachment 'B' to Exhibit VIII.C.5.a.2 to see the location of these facilities within the building.

Back of House areas provide support for the entire hotel and casino operations. Proper layout ensures efficiency. The dock area becomes the workhorse of the BOH where all goods and deliverables are brought into the building. Adjacent to the dock is warehouse space, including dry, cold and frozen storage. Nearby are the kitchens that can serve multiple venues, including restaurants, hotel room service and team member dining. Shower and changing rooms will be provided for team members who come to work on bicycles.
