**Exhibit VIII.C.20.d**
Dislocation Due To Construction

If the Applicant’s plan for the proposed Gaming Facility is expected to displace or relocate any existing businesses, tenants or services, submit as Exhibit VIII.C.20.d the Applicant’s plan for relocating or compensating such displaced parties.

The project site is vacant, so there is no need to relocate any existing businesses, tenants or services.

There is an adjacent parcel, 407 Front Street, which the Applicant and Maxon Alco Holdings, LLC intend to utilize primarily for new roadways and the location of a pylon sign for the Gaming Facility. The real property and improvements are owned by Maxon Alco Holdings, LLC, which acquired fee title to the underlying land in 2010 and the tenant’s interest in a long-term ground lease and the building occupying the site in June 2014.

Accordingly, the Applicant anticipates that construction on the 407 Front Street site will be completed by the time the Gaming Facility is ready to open.
