Since 2006 Tioga Downs has worked to develop and grow relationships with local and regional businesses. The vision for Tioga Downs was based upon creating an economic engine for the entire region and for nearly a decade it has made great strides toward that goal. The expansion to a full scale casino resort will further allow Tioga Downs to accomplish that objective on a broader scale. Current sponsorships range from mutual onsite advertising deals, ticket swaps, to creating joint tour packages. Tioga Downs is proud to be a team member with the many local businesses it promotes across the Southern Tier:

Choice of Spa Brands and Operator

Tioga Downs decided to partner with a local/regional business, “Ageless Spa.” With current locations located at Radisson Hotel, Corning, NY and Arnot Mall, Horseheads, a Tioga Downs location will give greater exposure to the Ageless Spa brand which in turn will build a greater audience and develop their brand reach.
The Tioga Downs Casino Regional Business Club Partnership Program is a WIN-WIN:

Tioga Downs will support local businesses within the player’s club model by allowing members to convert earned points into gift cards or discounts at local businesses. This will create an economic boost to the Southern Tier and the Finger Lakes Regions.

Tioga Downs proposes a whole new strategic approach to partnering with local businesses within the players club marketing program. Tioga Downs will distribute a free annual book of discounts and traffic driving discounts from regional businesses to its club members, positioned as an exclusive benefit of membership.

A Win for Regional Businesses in the Tier

- Directs new customers to participating businesses and increases brand awareness

- Discounts at regional businesses will not be contingent on club members either 1) earning enough points to redeem offers or 2) opting to spend point balances on other awards within the club model.

- Business discounts will be available to the customers throughout the entire year with no strings attached, dramatically increasing the chances of redemptions

- Businesses will receive the benefit of aggressive marketing efforts in all mediums with hundreds of FREE marketing impressions for the businesses each month to an audience that lives, works and spends money for goods and services in their trading area

A Win for Tioga Downs

- The community discounts will be considered a valuable benefit of the club, offering discounts on the goods and services our members will appreciate most in their day-to-lives.

- The program will enhance loyalty of our better customers

- The booklet will be positioned as a strong upfront enticement to attract new members to join the club. “Join Tioga Downs Casino players club and receive $500 worth of discounts and special offers at area businesses for the goods and services you want most”

Note: Tioga Downs recognizes that sensitivities may exist with local fundraising groups using a similar merchant discount booklet marketing program. Every effort will be made to developing non-competing practices.
