Submit as Exhibit IX.B.5. a description of plans for cross-marketing with other attractions. Provide copies of any contracts, agreements or other understandings evidencing such cross-marketing commitment.

Since its inception, Tioga Downs has embraced its corporate responsibility as a regional economic driver. As a full service gaming resort, Tioga Downs will seek to build upon that foundation and increase its already considerable role in driving regional tourism in the Southern Tier.

Today, Tioga Downs participates in local, county and statewide tourism leadership initiatives including the 2014 Governor’s Tourism Summit and the annual NYS Tourism Conference. Below is a list of the current and future sponsorships, partnerships, memberships, cross-marketing opportunities and other strategies and tactics Tioga Downs takes and will take to promote regional tourism and attractions and to support and help build local and regional businesses.

Finger Lake Wine Festival at Watkins Glen Race Track

Since 1996, Watkins Glen International has invited guests to celebrate the Finger Lakes by tasting the top wines in the region, enjoying food made by local chefs using the bounties of locally grown ingredients, and traversing the famed road course in the official WGI pace car. The weekend festivities also include live music, concessions, a variety of local gourmet cheese and a fireworks display. In 2014, Tioga Downs was the sponsor of “Camping at The Glen” available throughout the weekend festivities and continues to grow in popularity. Locals and visitors from all around total an estimated attendance of 25,000 that enjoy the annual wine celebration.
Binghamton Air Show

For years the Binghamton Airport and the City of Binghamton hosted an airshow that left memories for many residents. For eight years they were unable to host the show for many reasons, one being the lack of support due to the sagging economy. In 2014, the airport officials decided to bring the airshow back to life, however were struggling to find adequate sponsors. Tioga Downs stepped up to provide $40,000 to help underwrite the airshow which drew Southern Tier residents and air show enthusiasts from across the Mid-Atlantic Region into Broome County for two days in July.

National Warplane Wings Of Eagles: Red Tail Tuskegee Airmen Event

The Tuskegee Airmen, the famed World War II era African American military airmen, were honored with a day of events ending with an evening gala celebration. Over 15,500 served during World War II and with so many that have left our ranks, it was an honor for Tioga Downs to sponsor a day of events to pay tribute to our American heroes.
NASCAR @ Watkins Glen, Watkins Glen, NY

Tioga Downs began its partnership with Watkins Glen International in 2008 sponsoring “The 125 at the Glen” race the day before NASCAR. This sponsorship provided a terrific cross-promotion opportunity as Tioga Downs trackside signage was captured by the ESPN cameras. Included in the sponsorship were tickets for Tioga Downs to invite VIP’s to attend a major local and national attraction. Food and beverage was provided to all VIP’s and was so well received by our customers that our partnership with Watkins Glen International has continued to grow. From 2009 to present, Tioga Downs VIP’s are given weekend passes that include prime location seats and a wristband for “The Bog” sponsored by Hazlitt Wineries for unlimited food and beverage. A copy of the Watkins Glen/Tioga Ticket Purchase Agreement is attached here.

Tioga Country Club

Tioga Country Club, a storied 18 hole golf course with a panoramic view of rolling hilltops, is located just minutes from Tioga Downs. Tioga Downs has entered into a lease agreement contingent on receiving a full casino license. As part of the agreement, Tioga Downs will build a new state of the art clubhouse including amenities such as a fully equipped pro shop, locker facilities, restaurant, bar, and a banquet room. Enhancing the Tioga Country Club will create another reason for extended stays in Tioga County.
Finger Lakes Wine Country Tourism Marketing Association (FLWCTMA)

Tioga County is the Eastern Gateway to the Finger Lakes Region with an immediate view of Historic Downtown Owego along the Susquehanna River. The Finger Lakes Region is known for the five Finger Lakes, wineries, farms, agriculture, aviation, museums, and Tioga Downs. In 2001 when the Finger Lakes Wine Country tourism initiative began, it was difficult for some counties to partner due to the required financial investment. In addition, Tioga County was not eligible to participate due to the original by-laws of the governing organization. Due to the positive relationships built up between Tioga Downs and FLWCTMA, as of June 1, 2014, Tioga County Local Development Agency (LDC), d.b.a. “Tioga County Tourism Office” is now eligible to join Finger Lakes Wine Country Tourism Marketing Association as county partners of the organization. Full membership in FLWCTMA is contingent upon Tioga Downs Casino being awarded a full casino gaming license; at which point Tioga Downs Casino Resort would be eligible to participate as a funding organization.
