- 1) The gaming tax of 37% on Slot/ETG revenue and 10% on Table Game revenue is allocated 80% to Education/Property Tax Relief, 10% split equally between the host municipality and host county, and 10% split among non-host counties within the region on a per capita basis. Only the population east of Route 14 is used in the calculation of payments made to Chemung, Schuyler and Wayne counties. Seneca County is the host county for del Lago and therefore ineligible to receive non-host distributions from Tioga Downs Casino.
- 2) Distributions to municipalities and counties are made by the Gaming Commission on a quarterly basis.
- 3) Prior period adjustments are comprised of gaming tax audit adjustments in which the adjustment occurs subsequent to the close of the month in which the event occurred. Fines and penalties are comprised of amounts received in the period. Fines distributed to OASAS are not included in these figures.
- 4) The minimum number of table games in each facility license is verified by combining the total Average Daily Tables & Average Daily Poker Tables on a weekly basis. Fluctuations may occur.
