(n) *Wagering device* means a device enabling the placing of wagers.

§ 4500.2. Licensing account wagering.

(a) An account wagering licensee may offer a system of account wagering in which wagers and withdrawals are debited and winning payoffs and deposits are credited to an account held by an account wagering licensee on behalf of an account holder provided:

(1) prior commission approval is granted for the account wagering system, which shall be conducted in accordance with a written plan of operation submitted by such licensee and approved by the commission. Such plan of operation shall include, at a minimum:

(i) systems of processing wagers;

(ii) internal controls for account wagering;

(iii) appropriate totalisator and accounting contracts that safeguard the transmission of wagering data;

(iv) a plan for system security that includes but is not limited to the use of access encryption and firewalls;

(v) account wagering rules; and

(vi) a plan for a recording for each transaction on a system separate from the totalisator system;

(2) accounts are restricted for wagering and related purposes only; and

(3) the commission has duly licensed the account wagering provider.

(b) Account wagers that are accepted by a New York racing association, racing corporation or franchised corporation are deemed for distribution purposes to be on-track wagers of such wagering entities and not simulcast wagers. Account wagers that are accepted by any partnership or joint venture or other affiliation or contractual arrangement formed pursuant to Racing, Pari-Mutuel Wagering and Breeding Law section 1012(1) shall follow the distributional policy of Racing, Pari-Mutuel Wagering and Breeding Law section 1012(1) or 1012(1-a), whichever applies.

(c) In order to offer account wagering, the account wagering provider must be licensed annually by the commission to provide both simulcast wagering and account wagering services.

- (d) An account wagering provider must obtain a separate account wagering license for each account wagering platform that such provider operates in conjunction with another entity or that such provider markets to bettors as a distinct wagering platform.
- (e) Applications for annual licenses for simulcast and account wagering shall be made in a form and manner determined by the commission.
- (f) The applicant shall submit the required application fees with its simulcast and account wagering license applications, as follows:
 - (i) Simulcast license fee. Each applicant shall pay an annual simulcast application fee in the amount prescribed by Racing, Pari-Mutuel Wagering and Breeding Law section 1003(1)(a). If the commission does not issue a simulcast license or approve a given facility, then the related application fee shall be refunded.
 - (ii) Account wagering license fee. Each applicant shall pay an annual account wagering application fee of \$2,000. Such fee shall be non-refundable, as prescribed by Racing, Pari-Mutuel Wagering and Breeding Law section 1012(3).

An application for any license may be denied if the applicant has failed or refuses to pay the required application and related fees.

- (g) In considering an application for a license, the commission shall review the application and issue licenses in accordance with the standards set forth in Racing, Pari-Mutuel Wagering and Breeding Law section 307(5)(a), which standards shall be applicable to the applicant and its related individuals and entities described in such provision.
- (h) Pending final determination of any question, the commission may issue a temporary license upon such terms and conditions as it may deem necessary, desirable or proper to effectuate the provisions of the Racing, Pari-Mutuel Wagering and Breeding Law and this Part.
- (i) A refusal to issue a license shall be subject to adjudication in accordance with the provisions of Part 4550 of this Chapter.

§ 4500.3. Multi-jurisdictional account wagering providers; additional provisions.

- (a) A multi-jurisdictional account wagering provider shall be licensed only under the additional terms and conditions set forth in Racing, Pari-Mutuel Wagering and Breeding Law sections 1012-a(1) through 1012-a(5).
- (b) The commission may issue a temporary license to a multi-jurisdictional account wagering provider that is not yet registered to do business in New York State, provided that such applicant has agreed to take promptly those steps necessary to qualify to do business in New York State and to maintain such status in good standing throughout the license period, pending the commission's final determination of such provider's license applications.

(c) Multi-jurisdictional account wagering providers shall pay, in a form and manner determined by the commission, a monthly market origin fee as prescribed in Racing, Pari-Mutuel Wagering and Breeding Law section 1012-a(6).

(d) Each individual, in order to participate in the New York operations of the multi-jurisdictional account wagering provider, or to participate in such provider's affairs as a director, officer or manager, must hold a valid occupational license from the commission.

(e) In investigating, conducting inspections and ensuring compliance with the rules and regulations of the commission, as prescribed in Racing, Pari-Mutuel Wagering and Breeding Law section 1012-a(4), the commission may at a reasonable time on any date enter the premises of a multi-jurisdictional account wagering provider to conduct an examination and analysis of such provider's books, records and other property, including without limitation such provider's:

- (1) written books and records and its computer systems and records, to verify its accounting records and business practices;
- (2) written and computerized records and operational systems on its computers; and
- (3) facilities, with complete access including to all of its equipment, activities, structures and other property.

Such examination and analysis by the commission may include a forensic review by accountants of such provider's financial books and operational records and may be repeated to investigate possible material changes in relation to alterations or renewals of such provider's licensing status. The commission may initiate any such investigation and inspection at random, for cause, or as determined by an executive official or commissioner of the commission. The commission shall notify the multi-jurisdictional account wagering provider before arriving to conduct an investigation or inspection and, upon arriving, the commission's agents, employees and designees shall provide identification and notice to such provider that the investigation and inspection is conducted pursuant to this section. Such provider immediately shall assist any such investigation and inspection by providing full and timely disclosure of all requested information and full access to all facilities, books, records and other property, including without limitation computers, equipment, structures, bank records, financial books and records, wagering records, wagering account holder information and such other documents and information as may reasonably be requested by the person or persons conducting the investigation and inspection. The disclosure of such records and information by such provider shall not constitute a waiver of any trade secret or other confidentiality rights of such provider.

§ 4500.4. Establishment of an account.

(a) Accounts shall be used for wagering and related purposes only.

(b) Account wagering licensees may establish accounts for individuals provided the following minimum requirements are met:

- (1) An account holder shall be a natural person 18 years of age or older.
- (2) Accounts may be opened in accordance with procedures set forth in a plan of operation approved by the commission.
- (3) An account holder shall provide his or her age, principal residential address, mailing address (if different), phone number and date of birth.
- (4) The account holder must have completed an application as set forth in Racing, Pari-Mutuel Wagering and Breeding Law section 1012(8)(b). In the case of an online application, the applicant shall provide an electronic signature to attest to the accuracy of the information provided.
- (5) Except in the case of an online application, the name of each new account holder shall be confirmed in accordance with the Federal government's standards for evaluating and confirming government issued identification and credentials (U.S. Department of Homeland Security Employment Verification Form I-9). A copy of each properly validated credential shall be maintained with the appropriate account application. In the case of an online application, the account wagering licensee shall verify the applicant's identity using, at a minimum, the name, address, and date of birth of the applicant through a credit reporting agency, public database or similarly reliable sources as provided for in the plan of operation. If there is a discrepancy between the minimum information submitted and the information provided by the electronic verification described above or if no information on the applicant is available from such electronic verification, then the account wagering licensee shall not open the account and shall require verification through the Federal government's standards for evaluating and confirming government issued identification and credentials (U.S. Department of Homeland Security Employment Verification Form I-9). In addition, a multi-jurisdictional account wagering provider shall use the services of an independent third party to perform identity and verification services with respect to establishing an account for any person who is a resident of the State of New York, as prescribed by Racing, Pari-Mutuel Wagering and Breeding Law Section 1012-a(3).
- (6) The account wagering licensee shall issue a card or other document representative of the account.
- (7) The account wagering licensee shall provide to the account holder rules governing the conduct of account wagering.
- (8) The account wagering licensee shall notify the account holder whenever rules have changed and provide a copy of such changes.

(9) The account wagering licensee may require a minimum balance consistent with their internal controls.

(10) Bank account number and other necessary information shall be provided if the account holder desires to make electronic fund transfers.

An application may be accepted or rejected by the account wagering licensee as set forth in Racing, Pari-Mutuel Wagering and Breeding Law section 1012(8)(c).

(c) *Bearer Accounts.*

(1) Notwithstanding the provisions of subdivision (b) of this section, an account wagering licensee may establish an account for a customer without collecting the information found in paragraphs (2) through (5) of subdivision (b) of this section provided that:

(i) the account can be used only in person through a teller or self-service machine at a duly approved location; and

(ii) the account cannot be used for internet and telephone wagering.

(2) The account wagering licensee shall issue an account card (or other document representative of such account) and PIN for each bearer account.

(4) A wager placed through a bearer account cannot be cancelled once the account holder has accepted such wager and such wager has been processed by the account wagering licensee.

(5) In addition to the requirements of Racing, Pari-Mutuel Wagering and Breeding Law section 1012, all other provisions of this Part shall apply to bearer accounts, with the exception of the following:

(i) withdrawals shall be made only in person by the person bearing the account card (or other document representative of such account), upon verification of the PIN, at a facility approved by the commission.

(ii) account statements pursuant to section 4500.13 of this Part are not required to be mailed but must be made available to the person possessing the card issued in paragraph (2) of this subdivision.

(iii) the provisions of sections 4500.5 and 4500.6 of this Part do not apply; and.

(iv) accounts shall be closed only in person by the account holder by presenting the account card (or other document representative of such account) and after verification of the PIN or pursuant to other applicable provisions of the law.

§ 4500.5. Official address.

§ 4500.9. Conduct of wagering.

(a) Account wagers shall be transacted through only an account wagering center.

(c) The account wagering licensee shall not permit any person other than the person in whose name an account has been established to issue wagering instructions relating to that account or otherwise engage in wagering transactions relating to that account.

(d) The account wagering licensee shall:

(1) require the account holder to provide the account wagering identification number and PIN before an account wager is accepted;

(2) confirm all account wagering transactions before acceptance of an account wager;

(3) verify that the account has sufficient funds to pay for the wager. No wager or portion of wager shall be accepted if the account fails to have sufficient funds to cover the wager;

(4) debit the total amount of the wager from the account immediately after verifying the wager;

(5) not accept any account wager if the recording devices are inoperable; and

(6) not cash or accept any public assistance check or electronic benefit transfer device issued by a public welfare official or department, or agent thereof, as and for public assistance, as proscribed by section 151 of the Social Services Law. Any entity that violates this paragraph shall be disciplined by the commission. Such discipline may include one or more of the following actions:

(i) revocation of a license;

(ii) suspension of a license;

(iii) a fine; or

(iv) issuance of a public or private letter of reprimand to be placed in the file of the licensee.

(e) The account wagering licensee may permit an account wager to be cancelled before the start of the race but after such licensee has accepted and processed such wager, subject to the following limitation: for wagers greater than \$500 in win, place and show pools on any betting entry, and for wagers greater than \$50 on any one combination in multiple, exotic or super-exotic pools, the account holder's request to cancel shall be referred to such licensee's management. Management shall refuse any cancellation that may cause substantial altering of odds, prices or betting totals, and shall certify in writing to the commission its finding either accepting or rejecting such request.

§ 4500.10. Record of wager; pari-mutuel tickets.

For purposes of this Part, all wagers placed through the account wagering system are deemed pari-mutuel tickets and are subject to all rules and laws governing pari-mutuel tickets.

§ 4500.11. Withdrawals and other debits to accounts.

(c) The account wagering licensee shall process all requests for withdrawals made via mail within five business days of receiving the request. All other requests for withdrawals shall be processed immediately. § 4500.15. Confidentiality of accounts.

The account wagering licensee, its employees and agents may not divulge any account information without the express written permission of the account holder except to the commission, by commission order, or as may otherwise be prescribed by law.

§ 4500.16. Closing of accounts.

Excepting bearer accounts, accounts may be closed at the request of an account holder made in-person or by mail or other method consistent with the plan of operation. For those requests made by mail, account wagering licensees shall mail to the account holder's official address or send via electronic funds transfer to the account specified in the

account wagering application all funds within five business days of receiving such request. All other requests shall be processed immediately.

§ 4500.17. Dormant accounts.

The authorized pari-mutuel wagering entity shall deactivate all accounts if there is no account wagering activity during a period of 36 consecutive months. Such dormant accounts shall be treated as abandoned property pursuant to section 300 of the Abandoned Property Law, as prescribed by Racing, Pari-Mutuel Wagering and Breeding Law section 1012(11).

§ 4500.18. Surcharge.

§ 4500.22. Disputes, complaints and adjustments.

(a) Subject to applicable laws, customer disputes concerning account transactions shall be addressed by the mutuel department supervisor, or such other pari-mutuel supervisor as may be designated by the account wagering licensee's management. Such designation must be in writing. The mutuel department supervisor or appropriate designee shall approve all final resolutions of account disputes. Documentation of all disputes and final resolutions shall be maintained by the account wagering licensee for a period of three years from the end of the year the dispute was resolved.

(b) Disputed transactions that lead to an adjustment shall be audited by internal audit within 30 days of the adjustment.

§ 4500.23. Cooperation with officials.

If the commission determines that a certain computer printout, mutuel report, or other totalisator or mutuel record is needed to perform the official's regulatory duties, the official shall request the item from the mutuel manager or his or her designee and/or totalisator company representative. On receipt of a request under this section, the mutuel manager and/or totalisator company representative shall make the information available to the official no later than the deadline established by the official or provisions of this Subchapter.
