

Addendum Two to RFP #1051: Certified Public Accounting for the Observation and Certification of Lottery Drawings, Ball Weight Certifications, Ball Set Destruction, and Other Engagements

Date Issued: April 28, 2026

Summary: This Addendum Two to RFP #1051 is being issued to revise the Schedule of Events and to answer questions received by the deadline stated in the Schedule of Events.

Revisions:

Table with 2 columns: Event, Date. Rows include RFP Release Date (3/24/26), Round One Written Questions Due (4/13/26), Round One Commission Answers Issued (4/17/26), Round Two Written Questions Due (4/21/26), Round Two Commission Answers Issued (4/28/26), Proposal Due Date (5/1/26), and Contract Start Date (6/1/26).

Questions and Answers:

Table with 2 columns: Question (Q1), Answer. The answer discusses Section 5.23.k - State's Reserved Authority and asks if the Commission will consider a commercially reasonable Limitation of Liability (LoL) provision.

A1.	No limitation of liability will be added, in the interest of avoiding financial impact on the New York Lottery program (including, but not limited to, its aid to education) that otherwise should be the financial obligation of a vendor.
